

Sentio

Sentio Aluminum skirting board consists of 2 parts like our other skirting profiles. Thanks to the wall connection system, the Sentio aluminum skirting board also allows you to hide your cables by functioning as a cable duct.

The Sentio aluminum skirting board protrudes 2.5 cm from the wall to cover wall and floor flaws might occur during installation. With the availability in 8 cm height, the Sentio aluminum skirting board will fit into your home and office areas.

The Sentio aluminum skirting board offers a wide range of color and surface options which adds an integrity to the whole decoration by fitting with the materials used for decoration.
